**Edition:** 5th Edition **IFSTA Item Number:** 75004 price as of 1/12/2018 \$73.10 (students will still need to purchase the exam prep separately)

# Fire In Texas

## **ONLINE Basic Fire Suppression Course \$2200.00**

**Online Fire:** If your work schedule, family life, or other issues prevent you from attending a twelve-week on site course, perhaps the online format of training will better fit your needs. In this type of training the student enrolls in the course and has twelve weeks to work through the self-paced online presentations, practice tests, assessment tests, and associated course work from their home. At the conclusion of the twelve-week self-paced online portion of training the student attends a thirteen (13) day hands-on skills' session in which the online material is reviewed, and all the skills related to be a firefighter are practiced until mastered. On the final day of the session, the Texas Commission on Fire Protection State Examination will be administered. The tuition for this course is \$2,200. Housing is included in the tuition. If a student chooses not to stay at the fire station, there is no discount. Housing is included if the student does stay at the fire station.

Once you have filled out the registration form @ Fireintexas.com your course will start within 10 days or less due to changes through the TCFP. Students will generally receive their login information within 24-48 hours after we receive their registration form. The Total cost is \$2,200.00 + state test fee \$58.00 You will receive an E-mail with your User and password, start and end date.

Students get 6 months in the course to complete, if you need more time E-mail [andrea@fireintexas.com](mailto:andrea@fireintexas.com) before the End date listed in your Original Email. If students extend out their skill session there is a \$250.00 fee for redoing state paperwork and students will have to redo all of their online course work as the state requires the coursework to be completed within the course approval dates.

## **ONLINE Basic Fire Suppression Course skill session dates**

Skill sessions 13 day's straight

Please verify dates online before booking the student's flight just in case we had to make changes due TCFP not being able to test out on that last day. It doesn't happen often, but it does happen.

Current skill schedule can be found at this link on our website.

<https://www.fireintexas.com/online-skills-schedule.html>

# Fire In Texas

## **Admission Information & Requirements**

All prospective students must meet admission requirements to Fire In Texas Academy:

- Graduation from high school or Completion of a General Education Degree (GED)
- 18 years of age
- Physician's Release Statement
- Application fee must be received along with your application.

Classes are limited to approximately 30 students. Applicants must complete the application process and send in the application amount prior to acceptance.

Sponsored students may wear their fire department uniforms to classes. You do not have to be sponsored to attend the Academy.

**The Fire In Texas Academy Training Programs reserve the right to make changes to this list at any time. The list is as accurate as possible when distributed.**

Please call (903) 438-0300 for more information or for answers to any questions you may have regarding your account before the first week of class if possible.

\* No refund is granted for expulsion for non-compliance of Rules and/or Regulations or after the 3<sup>rd</sup> class day for online Fire / EMT or onsite Fire / EMT. All complaints after expulsion or after completion can be submitted to Ronnie Gothard for review and action.

# Fire In Texas

## **PROGRAM INFORMATION**

### **Required Items for Fire Training Program**

- Required Textbooks and Exam Prep books can be bought in a package deal from IFSTA
- If a student is from Canada when ordering from IFSTA call and place order by phone.
- Fire gear either from a Fire Dept or rented. Equipment must meet NFPA 1851 standards. (rental information is on the last few pages of this form)
- Fire in Texas will supply the student with 3- T-shirts to wear during skill sessions.
- As students are in their gear most of the time while they are here. Jeans, Navy blue fire pants, can be worn. Comfortable tennis shoes or work boots. Can be worn while in the classroom. Students can bring shorts as an option to wear during some days of skills. This has to be approved by the instructor and usually will only be approved if it's really hot outside.
- Bedding and Personal items for example: pillow, towels, shampoo, shaving cream, toothbrush.
- Funds for Meals (Kitchen available at Fire department housing and refrigerators and microwaves available at school and drill field for the student to bring lunches as an option) Generally students will get an hour for lunch.
- Airport pickup is available. Please don't wait to the last minute to get us your flight and or hotel information. We should have this a minimum of 2 weeks prior to the students scheduled skill session.

## PHYSICAL ABILITY PERFORMANCE TASK DESCRIPTIONS

### *TASK I: EQUIPMENT CARRY AND STAIR CLIMB*

Task Description: While wearing the fire equipment (helmet & coat) provided, the applicant will lift and carry on one shoulder 1-section of 3" hose bundled with a 2 ½ "nozzle attached, up to the third floor landing and return to the first floor landing while carrying a flashlight in the opposite hand. Applicants shall make each step on the stairway without skipping any steps. Time allowed: 60 seconds.

### *TASK II: LADDER CARRY*

Task Description: The applicant will remove a roof ladder from a pumper and carry 50 feet, around obstacles, to a doorway, turn around and return to the pumper and place the ladder back on the apparatus. Time allowed: 70 seconds.

### *TASK III: DRY HOSE DRAG*

Task Description: Three unconnected lengths of 3" dry hose will be placed on the ground. The applicant will move down the hose, coupling each section. The applicant will then drag the coupled hose 50 feet to pre-marked line, then turn around and re-drag the hose an additional 50 feet to a pre-marked line. Time allowed: 50 seconds.

### *TASK IV: 1 ¾" CHARGED HOSE ADVANCE*

Task Description: The applicant will be required to advance a charged hose line forward 30 feet, then will make a 90 degree right turn around the marker, advance the charged hose to the next marker located approximately 15 feet from the first marker, then make a left turn around the second marker and advance the charged hose line and nozzle past the finish line located approximately 15 feet away from the second marker. Time allowed: 40 seconds

### *TASK V: MAZE*

Task Description: The applicant will don protective clothing, SCBA and face piece; enter into an area with mask blacked out; and follow a rope to the exit. Time allowed: 60 seconds. **TASK VI: AREIAL LADDER CLIMB**

Task Description: The applicant will don a firefighting helmet, gloves and life belt and climb 70 feet on an aerial ladder at 70 degrees. The applicant will touch a flag and descend the ladder. Time allowed: 5 minutes

**\*\*Effective March 1, 2007, new state and federal guidelines will affect the protective clothing used by the fire recruits. All clothing must be **NFPA 1971 with 2007 Edition standards** for all live burns. We are currently in the process of accessing what fees will need to be adjusted due to these changes. Please be aware that we are making every effort to keep the cost to our recruits at a minimum.**

Students must provide NFPA 1971, 2007 Edition - approved protective clothing. **All protective clothing must pass an inspection prior to live fire training**

**\*\*Fire In Texas Training Academy does not recommend or indorse any manufacturer, distributor of protective clothing\*\***

**Any questions please call 903-438-0300**

## ❖ ABOUT TURNOUT ENSEMBLES

A standard rental turnout gear ensemble consists of the following:

- Conventional fire helmet with face shield
- Nomex hood
- Bunker coat
- Bunker pants with suspenders
- Firefighter gloves with wristlets
- Rubber fire boots with toe protectors
- Jumbo gear bag
- *Hood and gloves are yours to keep at the end of your program*

If you already have a helmet and/or boots, the ordering process will permit you to delete these items from the rental package and your price will be adjusted accordingly.

We use only premium gear selected from our experience with fire training academies and municipal fire departments throughout the United States. Brands include Janesville, Globe, Veridian, Morning Pride, Chieftain, Servus, Ranger, Shelby, Cairns and Bullard. All of our gear is compliant to NFPA 1971 (Standard on Protective Ensembles for Structural Firefighting).

Whether you represent a fire department seeking specific gear for your short-term rental or long-term leasing needs, or you are a student attending a fire academy, TurnoutRental.com offers you peace of mind. You know you are getting top-quality gear that will pass your training academy inspection, or meet your department's requirements, for a fraction of the cost of purchasing new gear.

As Fire Chief of the \_\_\_\_\_ Fire Dept, I do hereby verify that \_\_\_\_\_ is a member of our fire department or associated with our department. Due to his membership or association with our fire department, I do hereby acknowledge that our Fire Department is issuing and making available a full set of personal protective clothing for use for Structural Firefighter Training at the Fire In Texas Training Academy in Sulphur Springs, Texas.

The full set of personal protective clothing shall consist of firefighting boots, pants, coat, suspenders, and hood, helmet with shield or goggles, and gloves. Each and every set of protective clothing that will be used during the course of instruction for a commission approved fire protection personnel curriculum shall comply with TCFP §435.1 of this title (relating to Protective Clothing).

I attest that all protective clothing which is used by fire protection personnel assigned to fire suppression duties comply with the minimum standards of the National Fire Protection Association suitable for the tasks the individual is expected to perform. The National Fire Protection Association standard applicable to protective clothing is the standard in effect at the time the entity contracts for new, rebuilt, or used protective clothing; and maintain and provide upon request by the Commission, a departmental standard operating procedure regarding the use, selection, care, and maintenance of protective clothing which complies with NFPA 1851, Standard on Selection, Care, and Maintenance of Structural Fire Fighting Protective Ensembles.

As Fire Chief of this organization I do hereby verify that this equipment does comply with all requirements as established by the Texas Commission on Fire Protection regarding NFPA 1851. I further verify that upon request by Fire In Texas Fire/EMS Academy, Texas Commission on Fire Protection, or any other authority having jurisdiction, I shall produce written documentation that all components of this equipment does meet all NFPA standards regarding inspection, cleaning, and documentation.

Fire In Texas Training Academy will inspect the equipment you have issued to the above named individual. If any of the equipment does not pass inspection, your department will either have to issue additional equipment immediately or the student will be required to rent approved PPE from our agency or agent.

Dated this the \_\_\_\_\_ day of \_\_\_\_\_, 20 \_\_\_\_\_.

## Measuring Instructions

Cadet: \_\_\_\_\_

Height: \_\_\_\_\_ Weight: \_\_\_\_\_

MALE

FEMALE

**IMPORTANT:** Turnout Gear sizes differ from street clothes. Extra care in measuring is needed to assure accurate fit. PLEASE USE ACTUAL MEASUREMENTS AS INDICATED BELOW.

- Do not take your own measurements.
- Stand straight but relaxed, feet about 12" apart.
- Wear identical clothing and accessories that will be worn under turnout gear.
- Use a high quality non-stretch tape, holding it straight and snug so that it lies smooth without indenting the body. Be sure you start with low end of numbers.

**A. Chest** – Take and hold a deep breath; measure under arms and around fullest part of chest (bust). Chest: \_\_\_\_\_

**B. Sleeve** – Bend elbow and hook thumb under belt buckle, and, beginning at center of back of neck, measure across top of shoulders, around point of elbow to midpoint from wrist bone to knuckles. Sleeve: \_\_\_\_\_

**D. Waist** – Measure loosely over belt. Be sure tools (knives, belt buckles, beepers, etc.) are taken into consideration when applicable. Waist: \_\_\_\_\_

**E. Inseam** – Wearing normal station wear, measure from crotch inner seam to ankle bone. Inseam: \_\_\_\_\_

**F. Hips** (Women Only) – Measure around fullest part of hips. Hips: \_\_\_\_\_

**Gloves** – Refer to sizing chart. Gloves: \_\_\_\_\_

**Boots** – Sized to fit like street shoes. Boots: \_\_\_\_\_
