## **ONLINE Basic Fire Suppression Course skill session dates**

Skill sessions 13 days straight

Please verify dates online before booking the student's flight just in case we had to make changes due TCFP not being able to test out on that last day. It does not happen often, but it does happen. There is a new norm with Covid-19. We usually send emails post it on the class and post changes on the website. Please check the online skill schedule here.

<https://www.fireintexas.com/online-skills-schedule.html>

## **COVID-19 precautions.**

We are practicing social distancing, smaller skill sessions with fewer students and wearing masks when we can't follow social distancing rules.

Students are required to take their temperatures AM, Lunch and Evening. Let us know if they are showing any Covid-19 symptoms or if they have been exposed. Click and point thermometers are available at the fire academy classrooms, drill field and at the dorm house.

We spray a product from Glan health <https://glanhealth.com/> and is supposed to kill Covid-19 for up to 28 days. However, we spray way more often than that. Generally, every 2 weeks and more often if we have had different classes or if there has been any possible exposure that has been reported. When cleaning those areas that are commonly touched at the academy are sprayed and wiped down with the same product at the school and drill field.

The hand sanitizer product we have is also from the same company and is supposed to kill COVID-19 for up to 24 hours or until a person has washed their hands then it will need to be reapplied.

Masks will need to be worn for the written state test unless told otherwise.

The fee to move skill sessions is waived for students that have been exposed or may have been exposed or have Covid-19 until further notice.

This does not mean the student will not have to redo coursework per our governing agency. The student will just be allowed to move to another skill session without paying an additional fee.

\* No refund is granted for expulsion for non-compliance of Rules and/or Regulations or after the 3rd class day for online or Onsite start date of the Fire / EMT. There is a Non-refundable application fee of \$300.00 All complaints after expulsion or after completion can be submitted to Ronnie Gothard for review and action.
